TENNESSEE LOCKSMITH LICENSE APPROVED CONTINUING EDUCATION

Tenn. Code Ann. § 62-11-111(f) requires that Locksmith License renewal applications be received by the Locksmith Licensing Program not less than thirty (30) days nor more than sixty (60) days prior to the expiration date.

MANDATORY CONTINUING EDUCATION

Tenn. Code Ann. § 62-11-111(i) and Administrative Rule 0780-05-13-.09 requires that twelve (12) hours of continuing education be submitted prior to renewal of a Tennessee Locksmith License, Tenn. Code Ann. § 62-11-106(7) requires that two (2) hours of the required continuing education shall be dedicated to life safety.

- (1) Continuing Education Credits.
 - (a) As a prerequisite to renewal, a licensee shall obtain twelve (12) hours of continuing education for each biennial renewal period.
 - (b) A licensee who completes more than twelve (12) hours of continuing education credits in a biennial renewal period may carry over a maximum of four (4) hours into the next renewal period.
 - (c) A licensee shall obtain continuing education credits from any of the following sources:
 - 1. Successful completion of a continuing education course or program approved by the Commissioner;

The following courses have been approved to meet these requirements:
